## Step 1.

Print PDF on 8.5" x 11" sheet of paper. Place the paper logo side down, and fold the paper in half lengthwise and run thumbnail along the fold to create it sharply. Now, unfold the paper.

## Step 2.

Fold down the top corners as indicated by the arrows.

## Step 3.

Fold the two edges toward the center line, as indicated by the arrows.

## Step 4.

Make a valley fold in half. Turn the paper 90 degrees as shown in step 5.

## Step 5.

Make a wing crease along the dotted line as shown.

## Step 6.

Bend up the trailing edge of the wing along the dotted line under the wing as shown. Form 3-dimensional shape as shown, and happy flying.
